

Dear Parents, Guardians and Students,

We hope that this hot summer has brought you some peace and relaxation. Summer has brought many positive changes to the Kenneth Clark Academy. These changes will allow us to continue to provide a top notch educational program for your child.

These changes include the following administrative assignments:
Assistant Principal / Senior High School: *Mr. Walter Chadwick III*
Assistant Principal / Junior High School and ACE/HOP: *Mr. Jason Gerard*

Other changes include the addition of a Cosmetology program and an expansion of our Health Careers program in collaboration with Westchester Community College.

The enclosed brochure also contains important information about some of the positive changes at Kenneth Clark Academy:

- *Keep your ACT together* information. These are the behavior expectations for all students for **Academics, Conduct and Teamwork**.
- Electronic Device policy
- Dress code
- Important phone numbers to reach key staff

We look forward to the first day of classes on **Monday September 13, 2010**. School hours remain the same: **8:00 am to 2:45 pm**.

Also, please mark your calendar for our Open school Night to be held on Wednesday October 13, 2010 starting at 5:00 pm.

Respectfully,

David Gualtiere
Principal, Clark Academy
